1.2.1 This document sets out the terms and conditions of a scheme of arrangement in terms of Section 311 of the Companies Act, 1973, which, if agreed to by the requisite majorities of scheme creditors and scheme shareholders, will become effective upon sanction of the scheme by the High Court and registration of the sanction Order by the Registrar of Companies.

1.2.2 **The facts provided and the views expressed in this scheme and the proposals made in terms of the scheme, are so provided, expressed and made by the board, referred to in 1.3.1 below, and do not represent facts, views or proposals provided, expressed or made by the South African Reserve Bank, the Registrar of Banks, or the Statutory Managers, referred to hereinafter.**

- 1.2.3 **The South African Reserve Bank and the Registrar of Banks (in his capacity as such in terms of Section 4 of the Banks Act, 94 of 1990 (“the Banks Act”)) (“SARB”) and the Statutory Managers (appointed in terms of Section 84 of the Banks Act) are aware of this scheme and do not object to it being proposed to the creditors and shareholders for their consideration. The Registrar has indicated that he will continue to act in terms of the provisions of the Banks Act including Sections 83 and 84 in the event of the scheme not being sanctioned.**
- 1.3 Subject to the scheme being sanctioned by the Court and the fulfilment of the other conditions precedent to the scheme and therefore effective after the effective date of the scheme subject to the arrival of the final date –
- 1.3.1 the boards of directors of the Income Plan Companies (“**the board**”) will have established two new companies, namely a public company, Nova Property Group Holdings Limited (“**Public Newco**”) and a private company, Nova Property Group Investments (Pty) Ltd (“**Private Newco**”), as a wholly owned subsidiary of Public Newco, for the purposes recorded below;
- 1.3.2 the shareholding and loan account structures in, between and in regard to the Public companies (“**Public company/ies**”) and Private companies (“**Private company/ies**”) constituting the Income Plan Companies, as defined in clauses 2.32 and 2.27 of the scheme, will have been restructured through the scheme;
- 1.3.3 all shareholders of the Income Plan Companies (through their historical shareholding in the Public companies forming part of the Income Plan Companies) will in respect of their shares and linked claims forming part of and relating to their shareholder interests in the Public companies, become holders/owners of exchangeable debentures in and against Private Newco, as referred to in 1.3.4 below, save should shareholders elect to become shareholders in Public Newco as envisaged in 1.3.9 and 1.3.10 below;
- 1.3.4 scheme shareholders (historical investors) will be deemed to have sold their shares and shareholder interests in the Public companies forming part of the Income Plan Companies (as defined in clauses 2.49 and 2.50 of the scheme) to Public Newco at a consideration of R NIL (Nil Rand), and simultaneously cancelled and substituted their shareholder linked financial interests in the Public companies forming part of the Income Plan Companies (as defined in clause 2.51 of the scheme) in consideration for the acquiring by scheme shareholders of newly constituted exchangeable debentures (“**debentures**”) in favour of scheme shareholders in and against Private Newco, encompassed in and forming part of the scheme shareholders’ scheme consideration (as defined in clause 2.47 of the scheme), which debentures will –
- 1.3.4.1 reflect and regulate the pro-rata nature, extent and quantum of the duly secured (see 1.3.5 below) new debentures of scheme shareholders (“**debenture holders**”) in and against Private Newco, the terms and conditions applicable to such debentures being recorded in a formal list recording such new debentures in Private Newco, such list forming part of the scheme and this Circular (**Appendix “ARR5”** to the scheme document);

Income Plan properties. The exact quantum and calculation of such quantum of the projected investment returns are dealt with in clause 4.3 of the scheme and in **Appendix “ARR6”** to the scheme document, following the provisions of clause 4.3.5.2.1 of the scheme. In summary, the quantum of the projected investment returns due to be paid to debenture holders, will consist of amounts equal to the net pro-rata monthly income attributable to debenture holders, net of expenses (and net of provisions), before taxation, depreciation and amortisation, derived from the relevant Income Plan property owned by the relevant Private company (linked to a specific class of debenture pertaining to a specific Income Plan property) in which relevant scheme shareholders historically had investments through their shareholder interests in the relevant Public company of which the relevant Private company was a wholly owned subsidiary, such Private company to be owned by Private Newco after sanctioning of the scheme;

The projected repayment of investments, and the terms and conditions applicable thereto, as well as the quantum thereof, are similarly dealt with in clause 4.3 of the scheme and in **Appendix “ARR7”** to the scheme document. In summary, the quantum of the projected investment repayments due to be paid to debenture holders, will be equal to the pro-rata portion attributable to debenture holders, of the fair market values (as defined in clause 2.15 of the scheme), to be calculated as agreed to between the Income Plan Companies and scheme shareholders following the provisions of clause 4.3.5.2.2 of the scheme, of the assets of the relevant Income Plan property owned by the relevant Private company by the relevant Private company, in which relevant scheme shareholders historically had investments through their shareholder interests in the relevant Public company of which the relevant Private company was a wholly owned subsidiary, (such Private company to be owned by Private Newco after sanctioning of the scheme), subject to a maximum aggregate amount of R1,533,240,000 (One Billion Five Hundred and Thirty Three Million Two Hundred and Forty Thousand Rand) being payable to debenture holders as projected investment repayments, over periods ranging from 1 (one) to 10 (ten) years after the sanctioning of the scheme, depending in which Income Plan property any relevant debenture holder will hold his indirect debenture interest, in accordance with the information recorded in **Appendix “ARR7”** to the scheme;

- 1.3.10.2 should scheme shareholders so elect to become shareholders in Public Newco, then, the debentures of electing shareholders will be deemed to have been exchanged for shareholding in Public Newco with effect from the effective date, such exchanged debentures to be ceded to Public Newco (“**the ceded debentures**”) and after such exchange, electing shareholders will no longer be entitled to receive projected investment returns and projected investment repayments, as envisaged in 1.3.4.2 and 1.3.4.3 above;

- 1.3.10.6 shareholders who consider exercising the right to make an election as provided for in this paragraph 1.3.10 should acquaint themselves with the circumstances pertaining to the Zambezi, Villa and Growth Plan projects referred to in paragraph 1.3.1 and further, in the Explanatory Statement forming part of the Circular;
- 1.3.11 the historical shareholding in and all linked claims, shareholder interests, and shareholder linked financial interests of whatsoever nature and howsoever arising, of the historical shareholders of the Income Plan Companies will have been restructured, to the effect that all rights, title and interest of shareholders and debenture holders in Public Newco and Private Newco, and as a consequence, the Income Plan Companies and properties, into the future, will not possibly contravene any of the provisions or Regulations of the Banks Act, and will constitute fully enforceable rights, title and interests in respect of shareholding in and all future claims of debenture holders against Public Newco and Private Newco, as the case may be, and as a consequence, the Income Plan properties;

- 1.3.13 the Income Plan properties will be controlled or owned, as the case may be and managed by and at the instance of Public Newco and Private Newco;
- 1.3.14 none of the Income Plan Companies will have been liquidated as a result of –

- 1.3.14.2.1 in certain instances service interest payments on bonds registered over certain of the Income Plan properties and/or repay outstanding bonds; and

- 1.3.14.2.2 enable the Private companies to upgrade various of the Income Plan properties in order to enhance the nett rental income returns to investors (scheme shareholders) and create capital growth;
- 1.3.15 the business affairs of the Income Plan Companies and the Income Plan properties, as owned or controlled by Public Newco and Private Newco (as the case may be), will be able to continue to operate, in the normal course, under circumstances where –

- 1.3.15.7 in the event of scheme shareholders having elected to become shareholders of Public Newco, as referred to in 1.3.10 above, instead of receiving projected investment returns and projected investment repayments such electing shareholders will have become and remain shareholders in Public Newco, participating in growth in the value of the shares in Public Newco and the underlying values of the assets of Public Newco, including, the Income Plan properties, and become entitled, from time to time, to receive dividends, in the ordinary course of the business affairs of Public Newco, on their shareholding in Public Newco. Cognisance should, however, be taken by scheme shareholders of the fact that Private Newco, the wholly owned subsidiary of Public Newco, will have the obligation to repay the fair market values referred to in 1.3.4.3 above, subject to the possible maximum amount of R1,533,240,000 (One Billion Five Hundred and Thirty Three Million Rand) referred to in 1.3.4.3 above, due in terms of the debentures over an extended period of time (see 1.3.4.3 above), and it is envisaged that only after such period, dividends may be expected to become available to electing shareholders.
